

RIGHT OF WAY BRIDGE ACCESS CONSTRUCTION

With the approval from the U.S. Army Corps of Engineers, NY State Thruway Authority, NY State Canal Corporation, NY State Department of Environmental Conservation and the Town of Perinton we removed and replaced a footbridge over White Brook that is along the Erie Canal Way on the Crescent Hiking Trail. (continued on back)

TAKING CARE OF THE ENVIRONMENT IS OF TOP CONCERN TO OUR ORGANIZATION:

» Sensitive Areas Management » Habitat Restoration » Erosion Control

NORTHERN
CLEARING INC.

(continued from other side)

ROW ACCESS

The 40' x16' bridge will allow access for pole replacement on one of the client's 115kv lines and remain in place as a semi-permanent addition on one of the top 10 ranked nature trails in the USA.
