Re: Utility Service Vehicle Exemption
Date: January, 13 2016

All Northern Clearing Inc. commercial motor vehicles under contract with National Grid will be used in the furtherance of repairing and maintaining structure's necessary for the delivery of public utility services. Northern Clearing's commercial motor vehicles may be hauling equipment, timber mats, or other materials necessary for repairing and/or accessing the necessary structures.

Northern Clearing's commercial motor vehicles will be operating under the Utility Service Exemption found in the Federal Motor Carrier Safety Regulations section 395.2. All commercial vehicles operating under this will be exempt from the hours of service in section 395.1.
